

SONTAGA KOLOBE MASHALANE

Aspiring Software Developer | C# & .NET | Android (Kotlin)

+27 79 864 0024 | Zondag2k3@gmail.com | [LinkedIn](#) | Centurion, Gauteng, South Africa

PROFESSIONAL SUMMARY

Final-year Computer and Information Sciences student with hands-on experience building real software using C# and the .NET framework, and Android apps with Kotlin. Comfortable working with Azure cloud tools, Firebase, and SQL databases (MSSQL and Oracle). Currently part of a five-person team building a real event management system for CANSA (Cancer Association of South Africa), covering both web and mobile platforms. Looking for a software development internship to grow into a strong software engineer.

EDUCATION

Bachelor of Computer and Information Sciences

March 2024 - March 2027

The IIE Emeris Institution | Final Year (In Progress)

Higher Certificate in Mobile and Web Development

March 2023 - March 2024

The IIE Emeris Institution
